Queen B

Tanqueray Royale gin mixed with Chambord liqueur and a hint of blueberry jam, then perfectly balanced with some lemon and sugar, all topped up with a refreshing soda, the Queen B will have you dancing like a single lady!

Rocket Fuel

Start the night off with a rush! Zubrowka Vodka combined with Pama, green Chartreuse, apple and just a hint of peach makes this the perfect balance of sweet with a bit of punch.

Sweetheart

Sweetheart with a sweet tooth? We got you covered with this combination of Ketel One Vodka, Chambord and Paraiso, married with strawberry and lemon. The addition of egg white makes this so light you'll think you're on cloud nine. Perfect for a date night!

The Three Jack's

As American as apple pie, 3 of the Jack Daniels range – the original, the Apple, and the Fire - come together with some lemon, sugar and egg white to create a concoction which will make you think you're at Grandma's windowsill.

Too Hot To Handle

Is it me or is it Muy Caliente in here?! We have infused our own spicy tequila made with jalapeños, added to it some Crème de Cacao, along with some lime juice, egg white and sugar, then given it a chilli salt rim. This will have you feeling Hot, Hot, Hot. The real question is, do you think you can handle the heat?

You Go Glen-Coco

One sip of this will have you saying "Get in loser, we're going shopping." The tropical taste of Pama and Malibu mixed together with pineapple and guava juice with a coconut rim to finish will have you quoting Mean Girls all night.
